CURRICULUM VITAE

Aspenas Haulussy

Personal Profile

A highly accomplished and results-driven professional with nearly nine years of leadership experience in aviation training, logistics, and business operations. Proven expertise in strategic planning, operational management, and workforce development, with a strong track record of optimizing efficiency and driving business growth.

I have held key leadership roles, including Director at an aviation training institution, where I successfully trained over 365 ground staff now working across Indonesia. As Branch Head at Sertifikat Kontraktor Indonesia, I managed business operations, marketing strategies, and team leadership to enhance company performance. Additionally, my experience as Branch Head at MCA Cargo in Ambon strengthened my skills in logistics management, cargo operations, and customer service optimization.

My background also includes roles as Business Manager at Top Growth Futures and Funding Officer at RBS Bank, equipping me with strong expertise in financial management, investment strategies, and client relations. Adept at communication, negotiation, and problem-solving, I thrive in dynamic environments and am committed to driving operational excellence and long-term business sustainability.
